## Product Discontinuation Notice

Dear Valued Customer,

We have made every effort to secure service parts for our product "3CCD Imaging System FT-203F". Unfortunately, it has become impossible to procure service parts including light source lamps and to provide service support.

We would like to take this opportunity to inform you that the repair and maintenance services will be discontinued with the following dates.

Discontinued Product: 3CCD Imaging System FT-203F  
All Repair Service Parts

Repair service discontinuation: December 28, 2022

Maintenance service discontinuation: March 31, 2023

We regret any inconvenience this notice may cause. FiberTech appreciates and values our business relationship. We look forward to your continued interests in our products.

Best regards,

FiberTech Co., Ltd.
